

“Artistein”

Sketching Competition

Rules:

Introduction :

This event is designed to showcase and assess your sketching abilities, evaluating your proficiency in various artistic techniques, attention to detail, creativity, and overall composition. Participants will have the opportunity to demonstrate their artistic vision and technical skills through a series of challenges that test precision, shading, proportion, and conceptual depth. This competition aims to encourage artistic growth, provide constructive feedback, and recognize exceptional talent in the field of sketching.

- 1) **Theme:** Two contrast worlds in single frame such as realism vs cartoon, sci-fi vs Magical, nature vs tech, heaven vs hell, past vs future etc.
